## HOUSTON UPSETS INQUIRY ON LOANS

Withholds Files From Senate Committee Until Colby **Examines Them** 

#### CONTEMPT, REED CHARGES

By the Associated Press Washington, Feb. 28.—The Senate judiciary committee investigation of foreign loans and credits met with a beck today when Chairman Nelson informed the committee that Secretary Houston had submitted treasury files he had been ordered to produce to Secretary Colby, of the State Department, for advice as to those which it would be compatible with public interests to present hefer the committee.

Senator Reed declared Secretary Houston 'ought to be cited for con-tempt.' Later the senator said that unless the committee summoned Mr Houston to appear immediately with the full correspondence, he would "take lie matter before the Senate."

The committee deferred until late to-day action on Senator Reed's motion directing Mr. Houston to appear to-morrow morning with copies of the complete correspondence with all the allied powers. The motion asserted that the committee did "not regard the transmission of the papers to the sec retary of state as a compliance with Assails Houston's Attitude

"The secretary of the Treasury," Mr. Reed declared, "has violated the mandate of a Senate committee. He as taken the matter out of our hands this was very n wh His whole attitude from the beginning there's no doubt has been one of holding back."

Praviously Mr. Houston had furaished the committee with the complete files in the case of Czecho-Slovakia and part of the papers in the Liberian loans negotiations. Today's investigation was to have begun the examination of

correspondence in connection with the French, Italian and other allied loans, President Wilson is expected to send to the House tomorrow in answer to a resolution of inquiry a statement of disbursements made by him from the \$100,000,000 special war fund. It was being made no today from Treasury files

providing for the return by the alien property custodian of property seized during the war and which belonged to women citizens of the United States and the allies who married enemy subjects before the declaration of war.
